2010 –2011 SCHOOL YEAR

Thank you for choosing Sakura Gakuen Japanese Language School for your child. The Sakura Gakuen Board, the dedicated teachers and the Parent Teacher Committee (PTC) work together to provide your child with many cultural enrichment programs throughout the school year. The more we put into this endeavor the more our children and we receive. Therefore, we encourage families to sign up for as many events, recess monitor days or snack days as they can. Each family is required to fulfill their parent participation obligations. The more participation we have, the better our programs are for the students.
