REGISTRATION 2009 – 2010 SCHOOL YEAR

Thank you for selecting Sakura Gakuen Japanese Language School to teach your child the wonderful world of the Japanese Language and Culture.

The Sakura Gakuen Board, the dedicated teachers and the Parent Teacher Committee (PTC) work together to provide your child with many cultural enrichment programs throughout the school year. The more we put into this endeavor the more our children and we receive. Therefore, we encourage families to sign up for as many events, recess monitor days or snack days as they can. Each family is required to fulfill their parent participation requirements. The more parent participation we have, the better the programs we can offer our students.
